

Isabella Reichel, Ed.D, CCC-SLP/A, ASHA-F
Speech-Language Pathologist and Audiologist
Board Certified Specialist in Fluency Disorders

Professor, Touro University
Graduate Program in Speech and Language Pathology
Isabella.Reichel@touro.edu | 347-886-7912

EDUCATION

Nova Southeastern University, Fort Lauderdale, FL
Doctor in Education, Ed.D 2005
Dissertation: "Development of emotional intelligence
module in graduate fluency disorders course"

City College, City University of New York
M.A. in Speech Pathology 1988

Moscow Research Institute of Defectology, Russia
Post-Graduate Studies: Verbo-tonal method of teaching deaf
children to speak 1980-1981

Sloviansk State Pedagogical University, Ukraine
Higher Degree in Speech Pathology 1980
Department of Defectology

CERTIFICATION/LICENSURE

- New York State License in Speech Pathology, # 005950, 1989
- New York State License in Audiology, # 001322, 1992
- Certificate of Clinical Competence in Speech Pathology, American Speech-Language-Hearing Association (ASHA), 1989
- Certificate of Clinical Competence in Audiology, ASHA, 1992
Board Certified Specialist in Fluency Disorders, ASHA Member of the Initial Cadre of Fluency Specialists, 2001
- Public School Teacher Certificate for Speech and Hearing Handicapped, New York State Education Department, 1992
- Senior Disability Analyst and Diplomate, Certificate #4353, American Board of Disability Analysts, 1997
- Certified in Lidcombe Program, 2008

EMPLOYMENT HISTORY

Touro University, Brooklyn, N.Y
Full Professor 2018-Present
Associate Professor, Graduate Program in Speech, and Language Pathology 2008-2018
Taught graduate courses:

- Fluency Disorders
- Cluttering (created the only graduate course in cluttering in the United States)
- Psycholinguistics
- Motor Speech Disorders
- Multicultural Issues in Speech-Language Pathology
- Seminar on Topics in Language Disorders: Geriatrics (Normal and Abnormal Aging)
- Seminar Externship I
- Seminar Externship II
- Developed an additional curriculum, “Multidisciplinary curriculum integrated into graduate fluency disorders course” to reduce students’ negative attitudes toward people who stutter and increase students’ emotional intelligence competencies.

Lehman College, CUNY, Bronx, NY

1997-2008

Adjunct Lecturer/Adjunct Assistant Professor, Speech-Language-Hearing Sciences Department Taught graduate and undergraduate courses:

- Stuttering,
- Introduction to Communication Disorders (Organic),
- Introduction to Audiology
- Introduction to Hearing Sciences
- Clinical Observation in Speech-Language Pathology and Audiology

Speech-Language-Hearing Clinic at Lehman College

Clinical Supervisor

Supervised Graduate Practica in Speech-Language Pathology and Audiology

- Diagnostic Practicum in Speech-Language Pathology
- Diagnostic Practicum in Audiology
- Graduate Speech-Language Pathology Clinical Practicum Group therapy with adults exhibiting aphasia and other neurogenic disorders

Long Island University (LIU), Brooklyn, NY

1997-2005

Adjunct Associate Professor, Communication Sciences and Disorders Department Taught graduate and undergraduate courses:

- Fluency Disorders
- Introduction to Communication Disorders
- Language Acquisition
- Language Disorders
- Assessment of Speech-Language Disorders
- Introduction to Clinical Practicum
- Developed additional course curricula, which were integrated into Fluency Disorders courses in order to improve graduate students’ emotional intelligence abilities and to investigate and reduce their negative stereotyping toward people who stutter:
- Emotional Intelligence Curriculum Integrated into Fluency Disorders Courses.
- Negative Stereotyping toward Stuttering in Multicultural and Multinational Contexts.

Downtown Brooklyn Speech-Language-Hearing Clinic (LIU)

Clinical Supervisor for Graduate Practica in Speech-Language Pathology and Audiology

- Supervised diagnostic practicum in Audiology.
- Established a branch of “Fluency Renaissance Center,” focusing on the diagnosis and treatment of individuals who stutter.

- Led group therapy with clients with fluency disorders.

Bedford Gardens Family Medical Center, Brooklyn, NY 1989-2003

Speech-Language Pathologist

- Conducted speech-language evaluations.
- Implemented individual and group therapy and parent counseling for individuals with:
 - fluency disorders
 - phonological and voice disorders, aphasia, and dysarthria
 - hearing screenings and aural rehabilitation

Board of Education of the City of New York: Manhattan, Queens, and Brooklyn 1989-2002

Independent provider, bilingual evaluator

- Therapy for children and adolescents with stuttering and other communication disorders of different etiologies.

Private Practice 1989- Present

Speech-Language Pathologist

- Diagnostic and therapeutic service for children and adults exhibiting:
 - Stuttering and cluttering
 - hearing impairment
 - language disorders

East River Child Development Center, New York 1988-1996

Speech-Language Pathologist

- Conducted speech-language evaluations.
- therapy implementation with children ages 2½ - 5
 - communication disorders secondary to cognitive impairments
 - developmental delays
 - pervasive developmental disorders
 - emotional disturbances
 - neurological and hearing deficits

St. Francis de Sales School for the Deaf, Brooklyn, NY 1991-1992

Clinical Fellow in Audiology

- Performed audiological evaluations and auditory rehabilitation for children and adolescents.
 - COR and play audiometry
 - hearing aid evaluations
 - FM management
 - aural rehabilitation of hearing-impaired children.

Kharkov Teaching Hospital, Ukraine 1978-1981

Surdopedagogue and Logoped

- Hearing Testing
- Hearing aid fitting and rehabilitation
- Staff development and in-service training of colleagues in suburban areas of Kharkov.
- Evaluations and speech therapy for adults and children
 - geriatric population exhibiting aphasia and dysarthria.
 - Parkinson's disease, multiple sclerosis, and dementia
 - Success achieved in diagnosis and treatment of stuttering.

Preschool Program for the Deaf, Kharkiv, Ukraine
Teacher for deaf children

1975-1977

AWARDS:

- **Deso Weiss Award** for multiple achievements in cluttering research, publications, teaching, and service. This award was sponsored by the Stuttering Foundation. 2023
- **Elected a Fellow of the American Speech-Language-Hearing Association (ASHA)** for Outstanding Contributions in Academic Teaching, Research and Publications, and Service to and Leadership Positions in Professional Organizations Not Part of ASHA. 2023.
- **Certificate of Appreciation in Recognition of Valuable Contributions to the American Speech-Language-Hearing Association** and the Professions of Speech and Language Pathology and Audiology. Presented by the Editorial Review Committee of the “Perspectives on Global Issues in Communication Sciences and Related Disorders.” December 2016.
- **ASHA Awards for Continuing Education** were presented by the Continuing Education Board (CEB).
 - August 2021
 - August 2008
 - February 1994
 - March 1991.
- **Albert Nelson Marquis Lifetime Achievement Award** (2020).

A review of the book co-authored by Isabella Reichel was published in the journal, *Forum in Linguistics* in Poland: Węsierska, K. (2016). Gielkot – Zagadnienie wciąż słabo znane. Głos po lekturze książki Yvonne Van Zaalen i Isabella Reichel, “Cluttering: Current Views on Its Nature, Diagnosis, and Treatment,” *Forum Lingwistyczne*, 3, 151-158.

PROFESSIONAL HIGHLIGHTS

- **Served as a Keynote Speaker** at the International Conference, “Fluency Disorders: Theory and Practice,” Katowice, Poland, August 2016.
2nd World Conference on Cluttering, Eindhoven, Netherlands, 2014, July.
- **Organized and led 6 Multinational Cluttering Association (ICA) seminars** reflecting the collaboration of international representatives of the ICA at 5 World Congresses and 1 ASHA Convention.
As the Chair of the Committee of International Representatives of the ICA, she recruited 47 international representatives from 50 countries.
- Presented 42 papers in the USA and 38 papers in 16 countries outside the USA: Lithuania, 2022; Hungary, 2022; Russia, 2022, 2021; Japan, 2018; Slovenia, 2018 Poland, 2016; 2023; Portugal, 2015. The Netherlands, 2014; France, 2012; Argentina, 2011; Brazil, 2009; Bulgaria, 2007; Ireland, 2006; Canada, 2022, 2023. Denmark, 2000; Ukraine, 1980.
- 40 publications were published nationally and internationally.
Served as a reviewer for the World Congress on Stuttering and Cluttering, Montreal, Canada, May 2022
- Served as an invited expert panelist for the International Cluttering Online Conference Minnesota State University, Mankato, in conjunction with the International Cluttering Association, October 1-22, 2010
- Presented 2 One-Day seminars sponsored by the NYC Department of Education, with about 400 speech teachers and supervisors in attendance at each seminar: May 2016, Cluttering; October 2016, Stuttering.

Reichel, I., & Shapiro, D. (2000, May). *Assessment and treatment of school-age children who stutter*. One-day seminar. Sponsored by the Stuttering Foundation of America, NY

SERVICE

Touro University

2008-Present

Graduate Program in Speech and Language Pathology

- Member, Comprehensive Examination Committee
- ASHA CEU Administrator 2011-2022
- Taught dysarthria and multicultural workshops
- Supervised graduate students working with clients with aphasia and other neurogenic disorders. 2009-2022
- Created and supervised an aphasia group for Russian-speaking individuals.
<https://www.youtube.com/watch?v=JTTZgD59BZI>
- Coordinator for the Touro Research Day
- Chair, Search Committee, 2011-2014
- Mentored student research projects
- Participated in the Annual Graduate Admissions selection process.
- Academic advisor of graduate students

Health Sciences Department

- Member of Research Collaborative Committee 2009-2018
- Member of Institutional Review Board Committee 2009-2016
- Member of the Promotions Committee 2023- Present

American Speech-Language-Hearing Association (ASHA)

Journal, “Perspectives on Global Issues in Communication Sciences and Related Disorders”

- Member of the Editorial Board
- Invited Editor for September 2014 issue dedicated to cluttering.
- Invited Editor for December 2019 issue dedicated to cluttering.

International Cluttering Association (ICA)

2007-Present

Chair of the Committee of International Representatives

- Member of the Research/Academic Committee
- Recruited 47 international representatives from 50 countries.
- Led multinational collaborative initiatives in research and publications.
- Mentored many international representatives in clinical, theoretical, and research areas of cluttering.
- Conducted international surveys on cluttering (2009, 2010, 2022)
- Co-author of the ICA brochure.
- Member of the Ad-hoc Committee on Conceptualization of Cluttering and on Cluttering Bank Protocol
- Columnist, “International Highlights” section of the quarterly ICA newsletter
- Coordinated and led the multinational ICA seminars with international representatives at five World Congresses and one at the ASHA Convention.
-

Stuttering Foundation of America

Chair of Deso Weiss Awards Committee

2006-2023

This award is bestowed in recognition of outstanding contributions and excellence in the field of cluttering.

National Aphasia Association.

- NAA Affiliate, 2008 – Present
- Member of the Multicultural Task Force
- Member of the Committee of Bilingual Aphasia Representatives

International Project on Attitudes toward Human Attributes (led by Dr. Kenneth St. Louis)

Partner and Contributor, 2000-Present

LD Resources Foundation (LDRFA)

- Member of the Board, 2006-Present
- Member of the Programs Committee and Awards Committee.
- Review applications for the Awards and determine eligibility.
- Instrumental in creating Award Program Applications and brochures.
- Presented at conferences and colleges on the topics of learning disabilities in college students.

European Clinical Specialization Course on Fluency Disorders

Mentor and Coach from the USA, 2010-Present

External Tenure Review

External Reviewer for Promotion and Tenure for Baylor University, 2017, October.

INTERNATIONAL ACTIVITIES

The book co-authored with Dr. Yvonne van Zaalen, *Cluttering: Current Views on Its Nature, Diagnosis, and Treatment*:

- The book was translated into Japanese.
- Invited speaker with Dr. van Zaalen for a one-day Post-Congress Workshop on Cluttering at the Inaugural Joint World Congress in Stuttering and Cluttering, Hiroshima, Japan, July 2018.
- Website for the book: <http://www.nycsa-center.org/>
- A review of the book was published in the journal, *Forum in Linguistics* in Poland: Węsierska, K. (2016). Gielkot – Zagadnienie wciąż słabo znane. Głos po lekturze książki Yvonne Van Zaalen i Isabella Reichel, “Cluttering: Current Views on Its Nature, Diagnosis, and Treatment,” *Forum Lingwistyczne*, 3, 151-158.

Columnist. “International Highlights” section in the ICA Newsletters: 2016-Present

As a member of the Ad-hoc Committee of the ICA, co-authored two documents:

- “A Clinical Conceptualization of Cluttering”
- “Cluttering Bank Protocol.”

Member, Scientific Committee of 2 International Conferences, “Fluency Disorders: Theory and Practice”. University of Silesia, Katowice, Poland

- First International Conference, September 2014
- Second International Conference, August 2016

Member, Program Committee, 2nd World Conference on Cluttering.

Eindhoven, Netherlands, July 2014.

EDITORIAL WORK

American Speech-Language-Hearing Association.

-
- Journal, *Perspectives on Global Issues in Communication Sciences and Related Disorders*.
 - Guest Editor for the September 2014 issue, dedicated to cluttering.
 - Guest Editor for the December 2019 issue, dedicated to cluttering.
 - Member of the SIG 17 Editorial Board

Reviewed articles for national and international journals, including for ASHA publications:

- the American Journal of Speech-Language Pathology
- Perspectives of the ASHA Special Interest Groups

SIG 4. *Perspectives on Fluency Disorders*.
